**RECRUITING NEW MEMBERS – THINK ABOUT IT!!!
 THEN - TAKE SOME ACTION!!**

We all want our Ames Golden K Kiwanis Club to grow in membership AND every member has a part to make sure that our club is viable and successful for years to come! Think about these questions and write down a name in the space provided.

The people you know....

He or she is a neighbor or lives in your retirement community. You consider them to be a friendly person. They are active and are involved in the community, but may not be a member of a service organization. Who might that be? _____

He or she is a person who may have recently retired from your former place of work. You may know that person well or have worked with that person at some time in your place of employment. Who might that person be? _____

He or she is a person at my place of worship that I know or often visit with or have worked with on a committee or activity that has a friendly smile, an interest in our community. Who might that person be? _____

He or she is a person in my coffee group, a card playing group, a fishing or sports group, a health-club group, or any another social group. That person would be a good Kiwanian. Who might that person be? _____

Now look at the list of names, pick up a GK membership packet, and invite that person to a club meeting. People don't join groups unless they are asked to join!!
